

*The mission of the DC Preservation League is to preserve, protect, and enhance the historic and built environment of Washington, DC, through advocacy and education.*

## **Are you interested in DC's history, culture, and architecture?**

### **Volunteering with the DC Preservation League's Landmarks Committee may be for you!**

The Landmarks Committee researches and writes nominations for properties to be historically designated and added to the DC Inventory of Historic Sites. Many DC landmarks are also added to the National Register of Historic Places.

- Meet others who are passionate about preservation
- Learn more about current preservation projects
- Hear from guest speakers on various topics related to history and architecture in DC and beyond
- Assist with the research and writing of historic landmark nominations
- Gain experience for your professional resume
